

# Sponsorship Opportunities

## About the Event

The **Nature-Based Early Learning Conference** draws hundreds of program administrators, faculty, leaders, and decision makers to learn, connect, and find new resources and opportunities for their programs. The conference promotes a variety of ways to bring nature into early childhood education for **every child**.

In 2024, the conference will be held in **Portland, OR** and will also be available **online**.

## Event Dates

Live in Portland: **July 31- August 3**

Online: Available until July 2025  
All participants have access to online content.
