

WORLD FORUM
FOUNDATION™

DESIGNING INSPIRING & EFFECTIVE SPACES FOR CHILDREN

**A Working Forum on Design and Nature
11-14 March, 2015, Rotorua, NZ**

This event will be organised around four principles:

1. The power and importance of collaboration
2. The importance of respecting the context of space and place
3. The importance of the connection between inside and outside
4. The connection between design and pedagogical intent.

Confirmed facilitators include:
